Securing funds to support the Breast Cancer Center at the Memorial Cancer Institute and to better serve its patients and families through the Memorial Foundation.

3329 Johnson Street

Touch of Pink Party

October 1, 2022

The Pink Angels of Memorial Hospital Foundation is hosting their Annual **Touch of Pink Party to benefit patients of the Memorial Breast Cancer Center. The event this year will take place on Thursday, December 8, 2022 at the Bahia Mar, Fort Lauderdale.** We are asking for your support to be a part of this important event as a sponsor. All proceeds will benefit the Pink Angels Fund of the Memorial Foundation. Corporate sponsors, such as you, play an integral role in helping The Pink Angels of the Memorial Foundation fulfill its mission.

The Pink Angels organization was founded in 2006 by a group of impassioned women, many of which were breast cancer patients of Memorial Breast Cancer Center, with the goal of educating the women in our community on the benefits of leading a healthy lifestyle and assisting those undergoing cancer treatment who may need additional support and assistance. The funds raised are used directly to help breast cancer patients and their families through programs and services including nutrition, IVF Assistance, education and awareness, wigs and prosthetic garments from the Memorial Image Recovery Center, emergency support and other support services. **This year the Pink Angels have also made a commitment to raise \$500,000 for the new Memorial Cancer Institute building** also, make their fundraising efforts that much more impactful.

The Memorial Foundation is a 501(c)3 organization dedicated to providing philanthropic support to Memorial Healthcare System, whose mission is to provide safe, quality, cost-effective, patient- and family-centered care, with the goal of improving the health of the community it serves by healing the body, mind and soul. This is a great opportunity to help our efforts to support the women in our community undergoing the devastating effects of a breast cancer diagnosis and its aftermath, chemotherapy and radiation treatments. Enclosed please find our sponsor opportunities for involvement. Please do not hesitate to contact me with any questions.

Sincerely,

Babette Ferre-Kosar

Director of Development

Memorial Cancer Institute, Memorial Foundation
