Securing funds to support the Breast
Cancer Center at the Memorial
Cancer Institute and to better serve

The Pink Angels of Memorial Hospital Foundation is hosting their **Annual Touch of Pink Party to benefit patients of the Memorial Cancer Institute. The event will take place on Friday, December 6, 2024 in the Flamingo Room at Gulfstream Park in Hallandale Beach, FL.** We are asking you to consider becoming a part of this important event as an in-kind sponsor. All proceeds will benefit the Pink Angels Fund of the Memorial Foundation.

The Pink Angels organization was founded in 2006 by a group of impassioned women, many of which were breast cancer patients of Memorial Breast Cancer Center, with the goal of assisting those undergoing cancer treatment through programs and services. The funds raised are used directly to help breast cancer patients and their families, including nutrition, IVF Assistance, emergency support services, education and awareness, wigs, prosthetic garments, lymphedema sleeves and other support services. The Pink Angels have also committed \$500,000 in support of the new Memorial Cancer Institute building, recently open in the fall of 2023 and designed to benefit the care and experiential support for cancer patients in South Florida.

The Memorial Foundation is a 501(c)3 organization dedicated to providing philanthropic support to Memorial Healthcare System, whose mission is to provide safe, quality, cost-effective, patient- and family-centered care, regardless of one's ability to pay, with the goal of improving the health of the community it serves. This is a great opportunity to help our efforts to support the women in our community undergoing the devastating effects of a breast cancer diagnosis and its aftermath, chemotherapy and radiation treatments. Please do not hesitate to contact me with any questions.

Sincerely,

Abbie Beltz
