

The Pink Angels of Memorial Foundation will be hosting the annual ***Touch of Pink Party to benefit breast cancer patients of Memorial Cancer Institute on Friday, October 3, 2025 in the Sport of Kings Theater at Gulfstream Park in Hallandale Beach, FL.*** We are asking you to consider becoming a part of this important event as an in-kind sponsor. All proceeds will benefit the Pink Angels Fund of the Memorial Foundation.

Established in 2006 by a passionate group of women – many of whom are breast cancer survivors or current patients of Memorial's Breast Cancer Center – the Pink Angels are a dedicated fundraising group of Memorial Foundation. The funds raised are used directly to help breast cancer patients and their families, including nutrition, IVF Assistance, emergency support services, education and awareness, wigs, prosthetic garments, lymphedema sleeves and other support services.

The Memorial Foundation is a 501(c)3 organization dedicated to providing philanthropic support to Memorial Healthcare System, whose focus is to provide safe, quality, cost-effective, patient- and family-centered care, regardless of one's ability to pay, with the goal of improving the health of the community it serves. Supporting the Touch of Pink Party helps make a very meaningful impact on the lives of our patients, who are faced with the devastating effects of a breast cancer diagnosis and its aftermath, chemotherapy and radiation treatments.

Thank you for your consideration and for investing in the health of our community.

Sincerely,

Abbie Beltz
